## Operation White Tide

In this news article the Portuguese police seized over 5 tons of cocaine. The cocaine was headed to Europe through the Iberian Peninsula. All together the cocaine was valued at 232 million dollars. "This is the biggest bust in the last 15 years" said the Portuguese police chief Luis Neves.

There were 183 bails of cocaine. The bails were being carried by a 79 ft long yacht. There were 3 people that got apprehended on the yacht. The cartel that the cocaine belonged to has not been discovered yet but the people are still in questioning.
